NAME- _____

SECTION - _____

ROLL NO. - _____

SECTION-A (READING SKILLS)

Q1.Read the passage carefully and answer the following questions.

Regular exercise is essential for maintaining physical and mental well-being. It improves cardiovascular health, strengthens muscles and enhances mental clarity. Exercise also helps reduce stress, boost mood, and increase overall quality of life. Exercise has a lot of benefits in today's world. First of all, it helps in maintaining your weight. Moreover, it also helps you reduce weight if you are overweight. It is because you burn calories when you exercise. Further, it helps in developing your muscles. Thus, the heart rate of your body will increase which helps to burn calories. Moreover, it also helps in improving the oxygen level and blood flow of the body.

a) What is essential for maintaining physical and mental well-being?
